Enrolment – To manage our out of zone enrolments effectively we need to know of any siblings due to start between June 2024 and June 2025. If you have not already advised us, please send details to Jillian (office@otari.school.nz) as soon as possible.

Enrolment

Scooter Ready - The Year 1-4 Scooter Ready programme is on **tomorrow**. If possible, please send a scooter and helmet to school with your child.

Free Wood - We have had to remove two trees from our kura. There is quite a bit of left-over wood. If you would like any of this please feel free to come and get it! There is some on the car park bank and the rest is in front of the ramp going up to the preschool. For the heavy pieces of tree trunk, you might need more than one person.

Taonga Horomata: Devotion - Piriponotanga

Devotion is commitment to something we care about deeply. It is a passionate focus on our life's purpose. It is wholehearted service to an endeavour we love.

"I know the price of success: dedication, hardwork and an unremitting devotion to the things you want to see happen". (*Frank Lloyd Wright Sr, American architect, designer, writer and educator. He designed more than 1,000 structures over a creative period of 70 years.*)

School Holidays are all about having fun, right? Well, here at Ngā Manu, we've got fun in spades! Come join us on Tuesday 23rd April at 11am for a very special puppet show by the extremely talented String Bean Puppets:

"Flutter" A short tailed bat who is afraid of the dark is befriended by a sparkly glow worm who thinks she is a star. The show is for 3-10 year olds. It's about overcoming your fears and includes some of Aotearoa's unique fauna and flora and the threats they face. The threat of introduced predators to our native species and the relationship between the short tailed bat and Te Pua o te Rēinga (Dactylanthus) is part of this story. The puppet show will be followed by a short talk from our Head Ranger about Te Pua o te Rēinga (Dactylanthus). Then we'll give you the opportunity to view this rare plant which is in flower at our reserve.

Entry to **Flutter** is by koha. For those wanting to see Te Pua o te Rēinga in flower, standard admission fees will apply.

On Thursday 25th April (Anzac Day) at 1pm we have a story telling session with local author **Bianca Begovich**. Bianca is a children's writer and yoga teacher. She has published six books for children about caring for the environment through CreateBooks. All will be available for sale at Nga Manu as she reads her story 'The Earth and Me' on Thursday 25th April. She is also a published poet and in 2016 was awarded second place in the Rangitawa short story competition for her story about 'Koro Jack', an old whitebait who travels his local rivers and out to sea. She lives in Kāpiti with her husband, three teenagers, one dog, eight chickens and several thousand bees.

Entry is free for this session. Standard admission fees apply for those who wish to explore the reserve before or after.

We're also open every day during the holiday break from 10am to 5pm. For families we have concession passes available, which include entry for up to 3 children. Click [here](#) for more details.

**Blue Dragon Book Fair at Ngaio Town Hall
Saturday 4 May 9am to 6pm AND Sunday 5 May 9am to 3pm.**

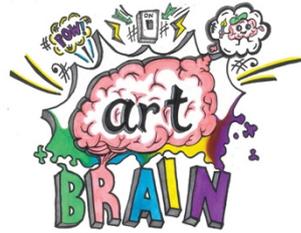

We invite you to come and buy books, puzzles/games, DVDs and CDs at our annual book fair.

Books are sold for \$3 each, and, after the first five books, \$2 each. Children's books are all \$1 each. We have a huge number of top-quality books, CDs and puzzles. We encourage you to buy for yourself or as gifts for others.

All the money raised will go to the Blue Dragon Children's Foundation, which helps to break the poverty cycle for Vietnam's poorest children. This includes street kids, children with disabilities, children from rural families living in extreme poverty, and victims of human trafficking and slavery.

If you have good quality books to donate, please be in touch. We are particularly happy to have more children's books.

The children really respond well to Bonnie as she is able to relate to them on their level and also tells them about her own experiences when she was their age and how she progressed and the importance of keeping up practices. She is patient and really enjoys seeing them progress".
- Gerard Shortall

"She helps our son polish the pieces, the results are outstanding, he loves her description and explanation way. Bonnie is very responsible and meticulous during her work time. She also brings her wealth of knowledge to her work".
- Sukie

"I have had the opportunity to observe Bonnie in the lessons and have found her to be extremely competent. Bonnie has identified how each child learns best, and utilises different skills to support and encourage them. Bonnie is patient, knowledgeable and can be firm if required. She has a lovely manner with the children and I have no hesitation in recommending her for any future position in the same role".
